C125 USB Disk

Digitization Comes To Life
The Best Memory Solution Provider

Team USB Disk (C125)

Team C125 is an USB flash drive with a metallic style. With sandblasted surface in resistance to scratching. The simple and compact design, comes with a metallic texture, makes it the perfect choice for laptops and tablets that emphasize their petite sizes as well! The metal chain attached to the flash drive allows users to carry the USB to wherever they desire.

Main Feature

- ☐ Support hot swapping and plug & play
- ☐ Backward compatible with USB 1.1 interface
- ☐ No external power needed
- ☐ Support Power Saving Mode
- ☐ Capless design with metal chain
